EFFICIENCY

Print Productivity Made Easy

Up-to-date Security Features

Compact and High-speed Performance

Easy to Use Interface

Driving Efficient Workflows Effortlessly

Equipped with fast scanning capabilities and intuitive user interface, the **imageCLASS X C1533iF II** offers greater productivity for your document workflows. Providing high performance, swift printing operations and security functionalities, the multi-functional device is designed to offer quality results and solutions in an effortless manner.

High Performance in a Compact Size

Swift printing and scanning speeds offer greater document efficiency and the easy to use user interface allows smooth navigation between different functions. The imageCLASS X C1533iF II's compact size allows it to easily fit into a multitude of workspaces, providing users with placement flexibility.

Wide range of paper support

The user interface displays simple and clear icons, offering excellent visibility for users accessing the device. Past jobs can also be quickly called out just through one touch from the Timeline function.

With **Smart Scan**, documents scanned can be automatically rotated for easy viewing.

Fortifying Business Security

Ensuring your documents are well protected is crucial. From **user authentication** to **encryption**, the multifunction device ensures your data is protected from start to end.

Providing Sustainability All Around

The imageCLASS X C1533iF II drives sustainability with the use of **recycled materials** in the device as well as in the cartridge packaging.

Easier Centralised Management

Users looking for centralised print management can invest in **uniFLOW Online**, a cloud-based solution that can help facilitate management of their print environment.
